To Be Completed By Health Care Provider

Diagnosis _____

Medication _____ Dose _____ Route _____ Time(s) _____

Recommendations _____

All medication should be given as close to the prescribed time as possible, however may be given up to one hour before and no later than one hour after the prescribed time. Please advise the school if there is a time-specific concern regarding administration of the medication.

Prescriber please check all that are applicable:

- If morning dose is not given at home, nurse (or administrator's designee) may administer morning dose of _____ after verbal or written notification from parent. Please advise parent to send in additional medication.
- Medication is required: ___ On bus ___ On field trips ___ On school-sponsored after school/weekend activities/sport
- I assess this student to be **self-directed** * regarding this medication.

*They understand the purpose, name, amount, dose, timing, and effect of taking or not taking the medication, can recognize the medication and refuse to take it inappropriately and can ingest, inhale, apply or calculate and administer the correct dose of the medication independently.

I have determined this student is consistent and responsible in taking their own medications (Self-Directed) and in addition, give them permission to **self-carry and self-administer** this medication. They will be considered independent in medication delivery and need intervention only during emergencies.
